The children will need most of these items **every day**, so **please** check the contents of the school bag regularly. We will systematically send home the stock before each holiday. Most of these materials will be used next year as well.

**Please check, daily, The Blue Book and White Folder** which we will provide on the first day and messages sent via PRONOTE PRIMAIRE. These will be a point of contact between home and your child's teacher. All notes need to be signed to let us know you have seen them. We will also initial any messages from you. The BLUE BOOK will also be used as a homework notebook.

Later on in September we will have another meeting after school to discuss how we work and how you can help your child.
