

## Semaine des langues 2017-2018

### Paroles de la vidéo « Good manners »

When you ask for something  
Don't forget to say « please »  
Say thank you when you're given  
Say it with a smile

Say you are always welcome  
When someone says thank you  
Greet people when you see them  
Look people in the eyes BIS

Do not interrupt when 2 people are talking  
It's a golden rule for you too  
Be on time when you are meeting someone  
It's a golden rule for you too BIS

Do not gobble your food  
Take small bites and chew  
It's rule for you too  
(Start to behave and care in you too)

Let's sing a little song about the world we see  
To make people smile every single day BIS

1, 2 whatever you do  
Start to build and carry in  
Try, try and never say that things will come right  
Friendly words are what we use  
So think about the words you choose  
Hi hello how are you  
It's all really good BIS
